

NOTICE OF APPLICATION TO BE FILED FOR APPROVAL OF THE NATURAL GAS DISTRIBUTION FRANCHISE AGREEMENT BETWEEN THE VILLAGE OF EDGERTON AND ATCO GAS AND PIPELINES LTD.

Application summary

The Alberta Utilities Commission expects to receive an application from ATCO Gas and Pipelines Ltd. to approve the existing current and valid natural gas distribution franchise agreement with the Village of Edgerton. This application for approval is required due to changes made by the *Utilities Affordability Statutes Amendment Act, 2024*, to various statutes governing franchise agreements.

The current franchise agreement, which took effect in March 2016, grants ATCO Gas and Pipelines Ltd. the exclusive right to deliver natural gas to the residents of Village of Edgerton for approximately ten years.

No changes to the franchise agreement or to the franchise fee rate rider percentage are being made as part of this application. The franchise fee rate rider percentage will remain at its current rate, which is 15%. Including linear taxes, the resulting average monthly franchise fee for an average residential customer will remain the same at approximately \$9.68. The franchise fee is calculated based on distribution charges. An average residential customer uses about 105 gigajoules per year.
